Islamic Finance: Principles, Products & Business Applications

A 3-Day Training Event

This broad ranging course covers Islamic finance from both a technical and a Shariah perspective, providing in-depth product and practical know-how within the area of Islamic finance.

Developed by practicing UK banking, finance and insurance industry experts, this 3-day course provides an understanding of the influence of Shariah in a business context and prepares delegates to hold key positions in the Islamic finance and takaful (Islamic insurance) industries.

Learning Objectives

Participants will gain an in-depth understanding of

- The practices used in the Islamic financial markets and the principles behind investment selection
- The general principles of Islamic finance (fiqh al muamalat)
- Applications of Shariah to Islamic banking and finance
- Islamic contracts
- Islamic principles of exchange
- Islamic asset management and Socially Responsible Investing (SRI)
- Sukuk
- Takaful
- Governance in Islamic institutions

Who Should Attend

- Employees of Islamic financial institutions
- CISI Islamic Finance Qualification (IFQ) candidates
- Anyone seeking a career in Islamic finance

Our unique 3-day classroom training course features:

- Content-rich study materials
- Up-to-date and industry relevant case studies
- In-depth analysis of course topics
- Smaller class sizes which focus more on personal attention & expert-delegate interaction
- An experienced, expert practitioner-trainer with real industry track-record & available for delegate Q&A for up to 90 days to help in exam preparation following the course.

Methodology

The expert trainer will use slides, case studies, exercises and lead workshop-style group discussion to engage the delegates in practical learning and understanding. The trainer remains available to delegates for Q&A related to the course topic for 90 days following the course dates.
