

ACCREDITED TRAINING PROVIDER

Securities (Capital Markets Programme)

This introductory qualification to Securities is driven by a streamlined syllabus focusing on key concepts and principles relating to the identification, trading and management of financial instruments by firstly looking at the various asset classes as well as the Primary and secondary markets. Building on these key concepts this qualification gives candidates an insight into transactions and mergers and also financial accounting analysis. After this 3 day training course candidates will have the basic knowledge necessary to make advisory decisions in securities trading.

Course Objectives

The purpose of this three day course is to equip delegates with the necessary knowledge and exam techniques to prepare them for the exam for this qualification.

Who should attend?

This qualification is appropriate for individuals who advise and or deal in securities, analysts interested in companies' share prices and bond and equity traders.

Our unique 3 day classroom led training course features:

- Content rich PowerPoint slides
- Up-to-date and relevant case studies and a sample practice paper
- Smaller class sizes which focus more on teacher/student interactions
- An expert trainer with practical industry experience

Progressive study pathways and prerequisites:

- UK exam candidates for the Capital Markets Programme must have obtained a pass in **Integrity Matters**, an online integrity test from the CISI before sitting the exam to this qualification.
- To achieve the **Capital Markets Programme** combine this qualification with UK Financial Regulation
- To achieve the **Level 6 CISI Diploma in Capital Markets** combine this qualification with the Level 6 Financial Markets and a choice of one of three following modules; Bonds and Fixed Interest Markets, Financial Derivatives and Fund Management.

Course Director:

Dennis Cox is a leading financial services risk

management and internal audit specialist serving banks, regulators and financial institutions globally, with a career encompassing HSBC, Prudential Portfolio Managers, Ernst & Young, BDO Binder Hamlyn and Arthur Young.

Dennis specialises his risk advisory services and lectures on the balance of risk management and the modernisation of internal audit and the auditing of compliance risk areas. He also addresses risk management as a driver for organisational change in banking, and risk-based bank internal audit. He is a specialist in risk and audit for bank departments and functions including credit, treasury, operations and accountancy issues related to the Basel Accord and the dynamics of changing regulation and business banking competitiveness
